This week's prayer comes from the Diocese of Hereford.

Lord God,

We ask that you be with all children and young people as they begin this season of examinations and assessments.

Give them calm when they feel anxious, focus when they feel distracted and confidence in all that they have learned.

Surround them with the encouragement of those who care for them and help them to know that their worth is found not in results alone but in being deeply loved by you.

Bless teachers, leaders, support staff and families as they guide and sustain them in the days and weeks ahead.

May our schools be places of peace, hope and kindness and may each young person be strengthened to do their best.

In Jesus' name,
Amen.

Question of the week...

Spiritual Thinking

Should you always keep your promises?

Why do you think Jesus went back to heaven, why didn't he stay?

Where do you think heaven is, if you think there is one?
